

## Motorola professional two-way radios get the job done. Whatever the job.

Start with Motorola Professional Two-Way radios and then choose from our extensive line of professional accessories to customize your fleet to the exact needs of your particular work environment. It's the best way to get it done right. Right now.

For customer support, or to find a dealer near you, call 1-800-448-6686. Or go to [www.motorola.com/radios/professional](http://www.motorola.com/radios/professional).

FCC Licensing Information: Spirit and XTN Series Professional two-way radios operate on radio frequencies that are regulated by the Federal Communications Commission (FCC). In order to transmit on these frequencies, you are required to have a license issued by the FCC. Application is made on FCC Form 601 and Schedules D, E and G.

Questions regarding FCC license contact the FCC at 1-888-CALL-FCC, 1-888-225-5322, or <http://www.fcc.gov>
