**ENSURE EASE OF USE  
AND MISSION-CRITICAL ACCESSIBILITY**

Expand and customize the LEX L11's functionality,  
so you have the options you need to get the job done.

# AUDIO

## WM500 WIRELESS PoC REMOTE SPEAKER MICROPHONE

When you're working in highly mobile, hands-on industries, you need quick and easy access to PTT applications on your LEX L11. The WM500 is uniquely designed to give you the simplicity and security you need to perform your job efficiently and effectively. The WM500 wireless remote speaker microphone is our thinnest yet, and is built with an internal battery that lasts up to 40 hours so you can remain focused on the task at hand.

Windporting technology allows you to communicate clearly in difficult weather by eliminating the whining and howling sounds of wind blowing across your remote speaker microphone. The result is clearer transmissions. A 3.5mm earpiece jack provides you the flexibility to receive audio communications more effectively.

Designed for durability, this RSM is rated IP67 meaning it can withstand immersion for at least 30 minutes, while preventing water from clogging the microphone and is completely dust-tight.

### KEY FEATURES

- Best-in-class audio quality and performance
- Discreet listening
- Rugged and waterproof
- Keep your LEX L11 "in your pocket"

Use NFC for easy, quick and secure pairing

**PMLN8068**

**Earhook Tip (5 per pack), Medium**  
**PMLN8069**

**Earhook Tip (5 per pack), Large**  
**PMLN8070**

## IMPROVED AUDIO PERFORMANCE EVEN WHILE HOLSTERED

A classic belt holster typically blocks the phone's external speaker which causes a significant decrease in audio quality making it difficult to properly hear. When the LEX L11 is holstered the outgoing audio is funneled more effectively in the direction of your ear making it easier to hear.

# CARRY

## CLASSIC HOLSTER WITH AUDIO TUNNELING TECHNOLOGY

### PMLN7845

Lock down your LEX L11 with a classic holster so you can keep your eyes up and focus forward. Attachment options are sold separately.

### AVAILABLE ATTACHMENT OPTIONS FOR PMLN7845
