

CONNECTED AND PROTECTED SMART BASES

SUPPORTING THE DIGITAL TRANSFORMATION OF MILITARY BASES

HOUSING

Safer work environments & behaviour monitoring to prevent incidents:

- PTZ Cameras
- Access Control Systems
- Emergency Call Points

COMMAND & CONTROL

Visualise & respond to intelligence for maximum situational awareness:

- Command Centre Solutions
- Video Management System
- Access Control Systems

ARMOURY

Alerting & active guarding using rules-based AI video analytics:

- Explosion-Proof Cameras
- Thermal Cameras
- Access Control Systems

ENTRY SECURITY

Identify, classify, track people, vehicles & objects of interest:

- Automatic Licence Plate Recognition
- Facial Recognition
- Appearance Search
- Body-Worn Cameras

PERIMETER PROTECTION

Real-time alerts from video security surveillance:

- PTZ Cameras
- Thermal Cameras
- 360° Multisensor Cameras
- Smart Sensors

OPEN TERRAIN

Unusual Activity Detection using advanced AI:

- PTZ Cameras
- Thermal Cameras
- Smart Sensors
- IR Detection
