

LICENSE PLATE RECOGNITION BUNDLES

UPGRADE YOUR IN-CAR VIDEO SYSTEM TO ADD LICENSE PLATE RECOGNITION (LPR)

Bring the power of our license plate recognition (LPR) technology to your patrol vehicles. By linking your 4RE in-car video system with our vast database of vehicle records and (optionally) our high-speed LPR cameras, you can keep your officers safer and more effective. Whether you choose the Basic bundle for occasional license plate searches, or the Advanced bundle for fully-active LPR scanning, you'll quickly benefit from this powerful law enforcement tool.

4RE In-car Video System

Vigilant CarDetector
Mobile (CDM) Application

LPR Technology
