Overview

The purpose of this document is to provide the release notes as a result of the Operations Critical Wireless RSM firmware provided in the R01.00.08 release.

Definitions

A known issue is a problem that is currently unresolved (open).

A closed or resolved is an issue that has been repaired and no longer should occur in the product after upgrading to the new product version.

The risk and workaround aspects are included in the release note description for overall assessment of the problem.

Operation Critical Wireless RSM R01.00.08

Publicly Available Software / Open Source Software Legal Notices

This media, or Motorola Solutions Product, may include Motorola Solutions Software, Commercial Third Party Software, and Publicly Available Software.

The Motorola Solutions Software that may be included on this media, or included in the Motorola Solutions Product, is Copyright (c) by Motorola Solutions, Inc., and its use is subject to the licenses, terms and conditions of the agreement in force between the purchaser of the Motorola Solutions Product and Motorola Solutions, Inc.

The Commercial Third Party Software that may be included on this media, or included in the Motorola Solutions Product, is subject to the licenses, terms and conditions of the agreement in force between the purchaser of the Motorola Solutions Product and Motorola Solutions, Inc., unless a separate Commercial Third Party Software License is included, in which case, your use of the Commercial Third Party Software will then be governed by the separate Commercial Third Party License.

The Publicly Available Software in the list below is limited to the Publicly Available Software included by Motorola Solutions. The Publicly Available Software included by Commercial Third Party Software or Products, that is used in the Motorola Solutions Product, are disclosed in the Commercial Third Party Licenses, or via the respective Commercial Third Party Publicly Available Software Legal Notices.

For instructions on how to obtain a copy of any source code being made publicly available by Motorola Solutions related to software used in this Motorola Solutions Product you may send your request in writing to:

Motorola Solutions, INC.

Government & Public Safety Business

Publicly Available Software Management

1301 E. Algonquin Road

Schaumburg, IL 60196

USA.

In your request, please include the Motorola Solutions Product Name and Version, along with the Publicly Available Software specifics, such as the Publicly Available Software Name and Version.

Note, the source code for the Publicly Available Software may be resident on the Motorola Solutions Product Installation Media, or on supplemental Motorola Solutions Product Media. Please reference and review the entire Motorola Solutions

Publicly Available Software Legal Notices and End User License Agreement for the details on location and methods of obtaining the source code.

Note, dependent on the license terms of the Publicly Available Software, source code may not be provided. Please reference and review the entire Motorola Solutions Publicly Available Software Legal Notices and End User License Agreement for identifying which Publicly Available Software Packages will have source code provided.

To view additional information regarding licenses, acknowledgments and required copyright notices for Publicly Available Software used in this Motorola Solutions Product, please select “Legal Notices” display from the GUI (if applicable), or review the Legal Notices and End User License Agreement File/README, on the Motorola Solutions Install Media, or resident in the Motorola Solutions Product.

MOTOROLA SOLUTIONS and the Stylized M logo are registered in the US Patent and Trademark Office. All other trademarks, logos, and service marks ("Marks") are the property of the respective third party owners. You are not permitted to use the Marks without the prior written consent of Motorola Solutions or such third party which may own the Marks.
